**Welcome to Videyko Chiropractic Office**

The following information is to help you understand the billing and financial policies of the office.

<p>Third Party Payers</p>	<p>If you have health insurance, we will help you determine if your insurance company covers chiropractic care and to what extent. <b><i>Your insurance coverage is a contract between you and your insurance company, so you will be responsible for services that you receive and are not covered by your plan.</i></b></p>
<p>Covered by Workers' Compensation or Automobile Insurance</p>	<p>If you are being treated for injuries that were the result of a work-related accident or an automobile accident, please let us know <b><u>immediately</u></b>. These are generally 100% covered. We will need to have very specific paperwork completed in order for your insurance coverage to be accepted by this office.</p>
<p>Medicare</p>	<p>Dr. Videyko is a participating Medicare provider. This means that the doctor will submit your bills and accept assignment for all covered services. Medicare recipients must present their enrollment card at the onset of treatment. Patients are required to pay Medicare Co-payments, deductibles and all non-covered services. Manipulation is the only service covered by Medicare. If your condition requires other services not covered by Medicare, you will be asked to pay for these at the time of service. Patients are responsible for notifying Medicare of any supplemental coverage.</p>
<p>Private Pay</p>	<p>If you do not have insurance coverage, we have a pre-payment plan that will help you save money and receive the chiropractic care that you need. <b><i>You may also pay per visit.</i></b></p>
<p>Changing or Canceling an Appointment</p>	<p>If you need to change or cancel an appointment, we ask that you please give us a 24-hour notice so that we may offer that appointment time to someone else who is in need. Failure to do so will result in a \$25 missed appointment charge to your account.</p>

***We do expect payment to be made at the time of service and there will be a \$15 charge for any returned checks.***

I have read and understand the information presented above.
